#### Project Highlight: New Library & Media Centre for Heathfield P.S.

February marked the grand opening of the Gloriana Cloete Library & Media Centre at Heathfield Primary, a vibrant space for learning and creativity—made possible through our partnership with the Lions Club and others!

The school is still in need of books, library resources and other peripherals. If you can support, please email: [info@lightfromafrica.com](mailto:info@lightfromafrica.com).

#### Project Highlight: Young Entrepreneurs in Action!

In March, Suurbraak's Rural Youth Leaders hosted their first Entrepreneurial Market Day, gaining hands-on business experience and financial independence.

"This was more than just a market day—it was the culmination of weeks of learning, planning, and developing an entrepreneurial mindset," said project facilitator Elwina Conradie.
